

TRAVIS KIRBY

(510)-301-9265 | thelegaltraviskirby@outlook.com | Los Angeles, CA 90014

Summary

Paralegal candidate with experience in legal research, drafting pleadings and memoranda, entertainment contracts and copyright, and digital asset management. Proficient in Westlaw and legal databases. Background includes project development and management in the entertainment industry with strong organizational and client relations skills. Currently pursuing certification at CSU LA.

Work Experience

Consultant | CineMarket, LLC • 2021 - Present

- Support company President with calendar management, rolling calls, notetaking, and expense tracking
- Provide detailed script coverage and creative feedback, handling sensitive information discreetly
- Maintain databases to streamline project tracking, asset organization, and team communication

Designer, Fabricator, Accountant | Kirby Cabinetry • 2017 - 2020

- Designed, fabricated, and assembled high-end custom cabinetry with attention to aesthetic and structural detail
- Managed project budgets and material sourcing for builds up to \$150,000 in value
- Developed detailed build plans using SketchUp based on architectural drawings and technical requirements

Sales Associate → Domestic Purchasing & Logistics Manager | American Soil & Stone • 2014 - 2017

- Provided personalized customer service and support throughout sales and delivery processes
- Oversaw domestic purchasing, inventory control, and transportation logistics for a multi-acre supply operation
- Acted as primary liaison for large-scale clients and coordinated with over 200 domestic vendors

Relevant Skills

- Self-guided research using Westlaw and secondary source authorities like the Rutter Group
- Draft legal memoranda analyzing complex legal issues
- Draft pleadings including complaints, answers, demurrers, and discovery requests
- Excellent computer skills—proficient in Microsoft Office Suite, Google Workspace, Slack, and other collaborative work software
- Quick to learn and adapt to new software, platforms, and digital systems
- Experienced with database creation, as well as digital asset and file management
- Strong written, phone, and in-person communication skills
- Highly organized, detail-oriented, and able to prioritize in fast-paced environments
- Self-directed, efficient, and proactive in anticipating team and executive needs

Education

- Bachelor of Arts in Music Production – The Evergreen State College • 2009–2014
- Bachelor of Science in Mathematics – The Evergreen State College • 2009–2014
- Certification in Music Supervision – Berklee Online • 2021–2022
- Paralegal Certification (ongoing) – CSU LA • 2025–Present
